2nd Annual IAM Summit

Indiana Point of Youth (POY): "Creating Advocates for Safe Communities" is a youth led, adult guided advisory group to the State's decision-makers on substance abuse and public safety issues. They have developed a Statewide Action Plan (SWAP) to implement in Indiana.

I AM SUMMIT

Point of Youth (POY) is inviting your youth organization to attend the Indiana Advocacy Movement Summit (I.A.M) November 3rd and 4th of this year. We ask that you bring 3-4 of your most energetic and committed youth to attend Summit with one adult chaperone* to accompany them during this exciting weekend. The Summit is for youth in the 9th to 12th grades.

Your team will be educated on issues of Methamphetamine Use, Prescription/Over the Counter (OTC) Drug Abuse and Underage Drinking. Teams will return to communities with a practical plan for implementing change. POY students will assist your team in the development of a local action plan addressing these issues. Your team will also be given an opportunity to apply for a mini-grant up to \$1,000 dollars to support your local action plan.

***Please note:**

We will accommodate only one adult chaperone per team
